

# Customer Spotlight: Cat In the Dice Bag

When we stumbled across [Cat in the Dice Bag](#) and the amazing dice trays that they create with our designs, we just knew we needed to collaborate! We asked them to make a couple of custom trays using the Summer Botanicals Dragon and colors of their choice. They did not disappoint! Check out their finished projects and the thread colors they used below.

## Products Used

---

Summer Botanicals Dragon (Sku: ESP84758-1)

# Steps To Complete

For the first dragon, Cat in the Dice Bag chose to create a lovely "late summer" look by selecting a mixture of greens, yellows, and oranges. We are fans of the seamless transition from shade to shade.

**Thread Used:** Madeira Polyneon 40.

**Colors used:** [1965](#), [1624](#), [1988](#), [1885](#), [1872](#), [1958](#)

(These are affiliate links - to learn more about what that means [click here](#).)

For the second dragon, Cat in the Dice Bag went "full autumn."

**Thread Used:** Madeira Polyneon 40.

**Colors used:** [1838](#), [1965](#), [1971](#), [1885](#), [1872](#), [1958](#)

(These are affiliate links - to learn more about what that means [click here](#).)
